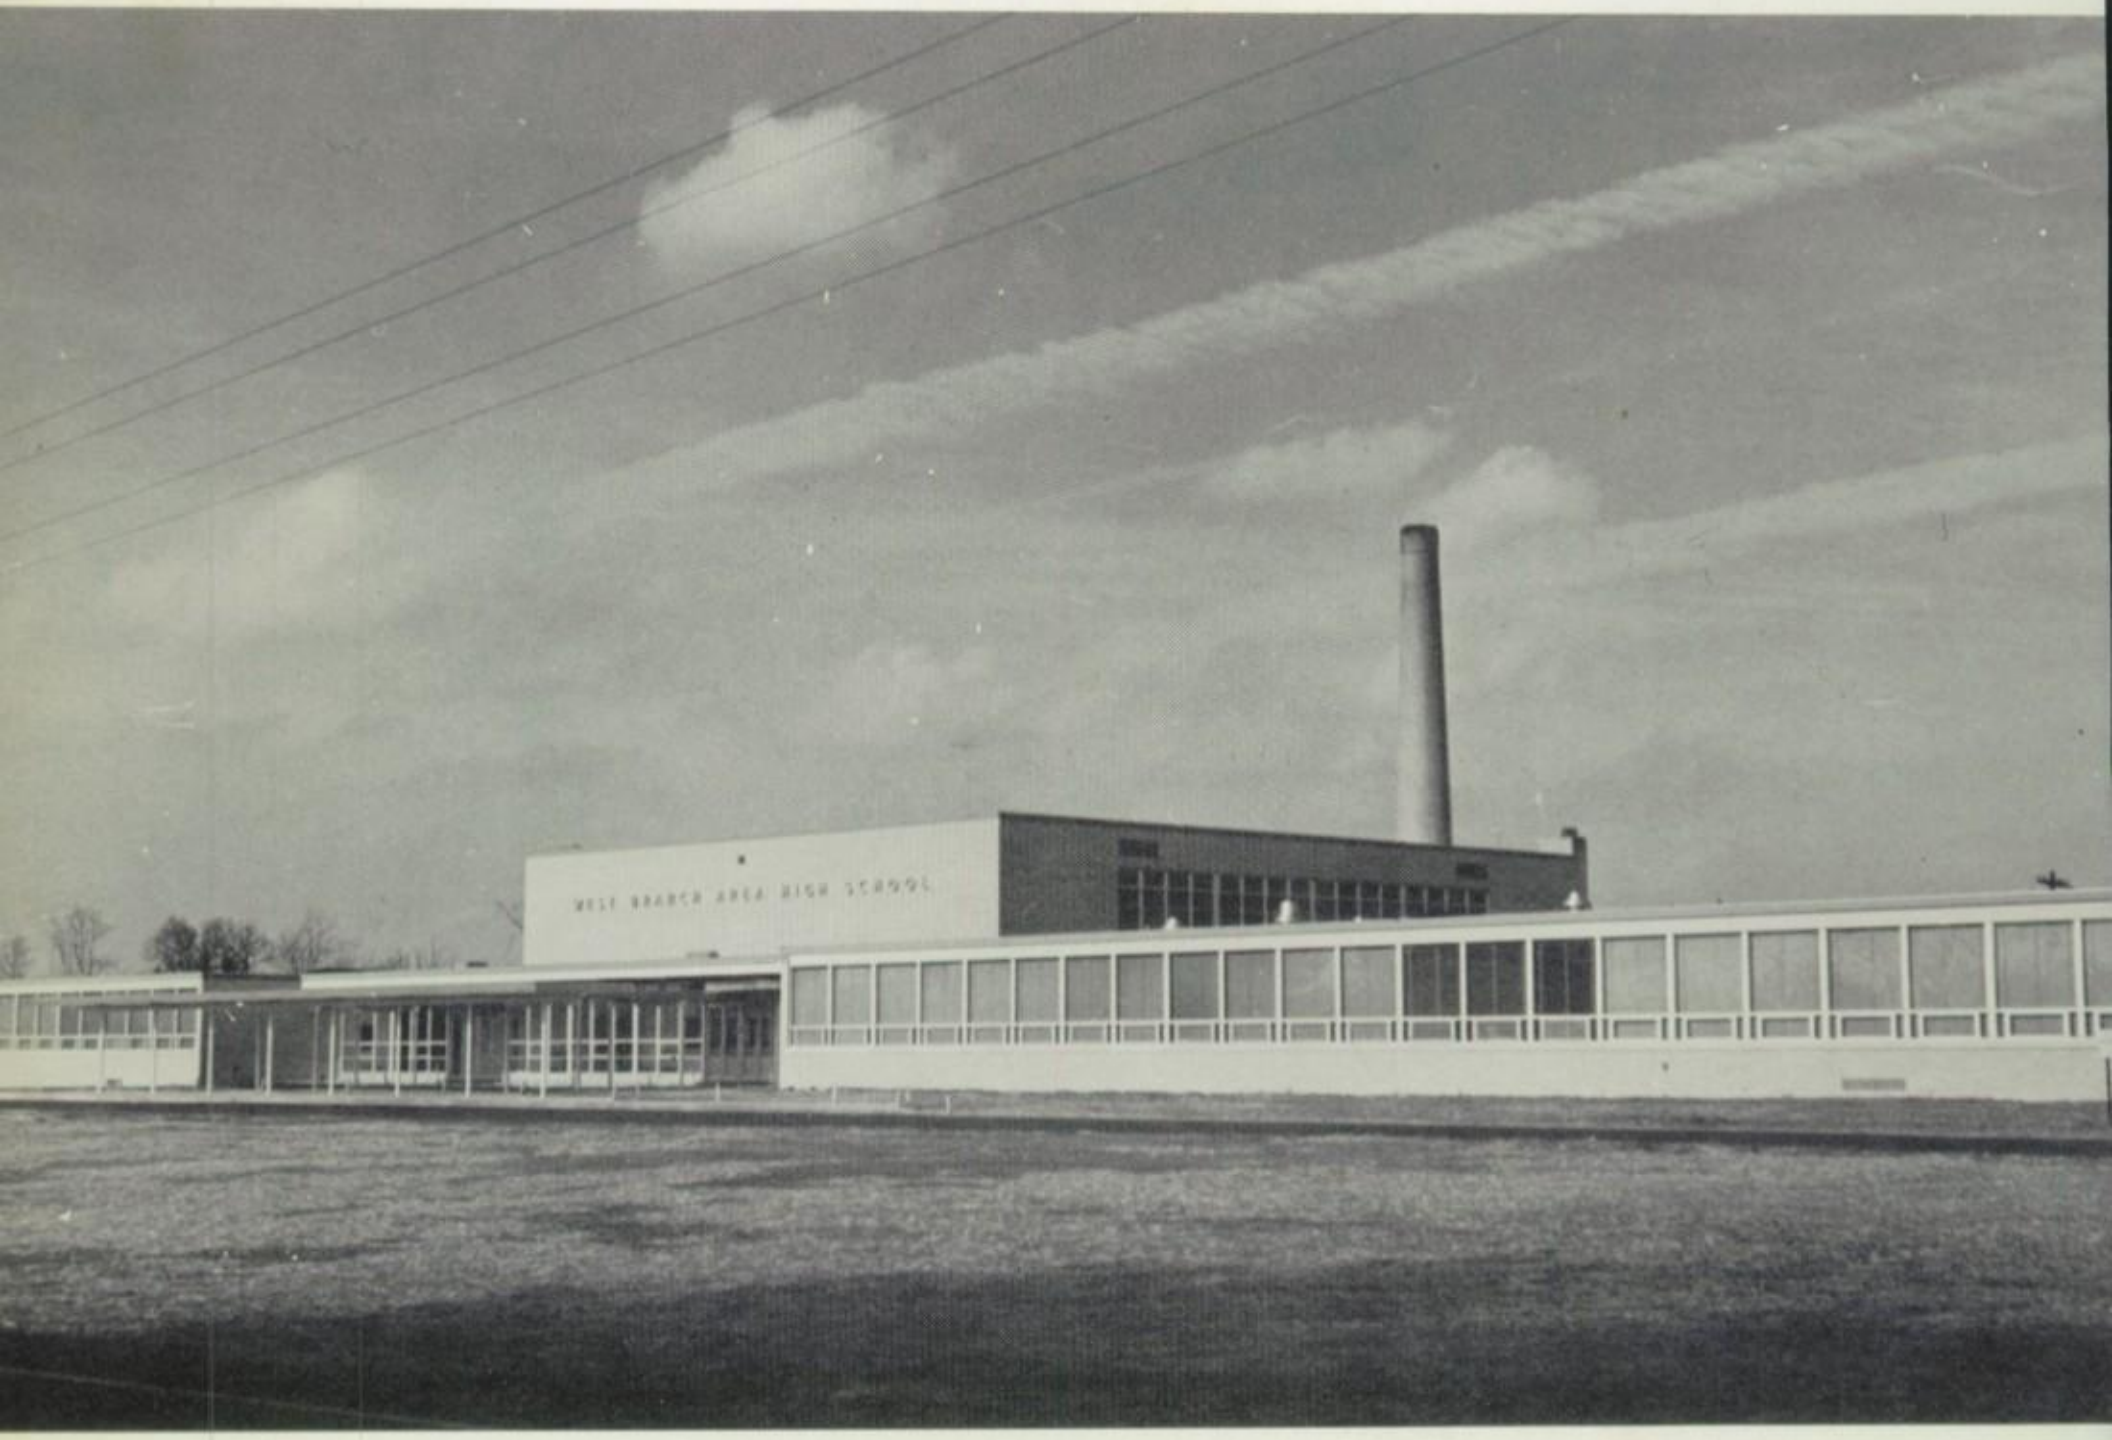
Foreword



People tend to associate certain feelings--a certain mood, an undefinable emotion--with the changing seasons. With autumn invariably come thoughts of school, and in the autumn of 1963, students of this area anticipated, with mixed emotions, entering a "brand new" high school.

Above is pictured the entrance to that school, and in the pages following are pictured the activities, all educational in some way, in which students of West Branch Area participated in the past year.

This WARRIOR is intended primarily as a memento of the school year 1963-1964 for those who are privileged to be the first class graduated from the new school; but it is intended also to introduce the new West Branch Area High School to all who wander through these leaves.

Dedication

ROW ONE: Robert Bradford, James Hoffman, Stacy Rowles, Clark Hubler, Walter Janke, Robert Eyerly, James Hubler. ROW TWO: Stella Schmoke, Anna Heichel (deceased), Margaret Saltsman, Marshal Beightol, Hugh Hoover, William Kyler, Reese Miller, Raymond Larson, James Tibbens, Lester A. Smeal, Donald Dukeman. NOT PICTURED: George Straka, Allen B. Roos, Alfred Eyerly, David Dixon, Jr., Chester Wooster.

We, the senior class of 1964, wish to dedicate our yearbook to the above-mentioned men and women of the West Branch School Board and to those others who also gave their support to the functioning of the school. We feel that this dedication is an honor which the School Board rightfully deserves for their sacrificed time and constructive effort; and we hope that this honor, small reward as it is, will partially compensate for some of the many long hours spent for the betterment of our school and the benefit of the student body.

SENIOR CLASS HISTORY

Seniors, we have finally completed probably the most memorable and eventful four years of our lives. We are, of course, referring to our years together as West Branch classmates.

Remember the year 1960? Of course you do. We chose class officers separately: at Morris, Nadine Sutton became president; Bill Cuebas, vice-president; John Astare, secretary; and Jeanne Rusnak, treasurer. Cooper elections found Jack Diviney, president; Walter Fetter, vice-president; Margie Petrof, secretary; and Paul Evans, treasurer.

Among interests we enjoyed this year were the joining of various clubs and activities.

Then, too, we must not forget that night of our Initiation Party when the sophomores treated us to an evening of hilarious comedy and a buffet dinner. Hey, who was it that had to push a peanut across the floor with his nose? Remember singing a love song to that perfect stranger?

Then came 1961 when we again chose separate officers: Gary Rockey, Carol Teats, Christy Wertz, and Cheryl Hunt from Cooper; Sandy Hubler, Jacque Boyer, Jeanne Rusnak, and Jack Galley from Morris.

We enjoyed attending our Sophomore Skating Party this year and learned all the tricks of staying on our feet (with the aid of that sturdy iron railing, of course).

Remember, too, our bus trip to the Bellefonte Fish Hatchery that spring day in April, 1962.

How about all those after-school play practices for us juniors during the early months of 1963? Who stuck his (her) hand in the jello and left definite incriminating evidence of raiding a certain cafeteria? What happened to our fainting starlet whom we nearly let fall the second night of the performance? Oh, and what was wrong with that girl who couldn't stand on her own two feet? What bachelor director sacrificed his cooking utensils to unsuccessfully aid in papering the set? Darn those stage managers who forgot to close the curtains during that love scene! How come everyone left so early?

Oh, how about May, 1963? Where were you when the phone rang that day of Friday, May 10--scrubbing, the floor, cleaning Grandma's house, perhaps taking a shower? This, naturally, was that unforgettable day of the Junior Prom when 3/4 of the class skipped school and had class officers Sandy Hubler, Tom Moslak, Jeanne Rusnak, Jack Galley, Jack Diviney, Margie Petrof, Linda Viehdorfer, and Wanda Kolivoski tearing their hair out when orders to cancel this event threatened to shatter carefully planned evenings. Phones began to ring, juniors reported obediently to respective school offices, and reports from our supervising principal repealed the cancellation. Everything went as planned, and that evening truly was a "Roman Holiday".

We ended the year with our Gettysburg Trip. Oh, how it rained! But not even rain could spoil our fun that day.

As seniors, we made new friends and met new teachers when we entered West Branch's beautiful new building. For the first time, we chose class officers together Margie Petrof was elected president; Sandy Hubler, vice-president; Cheryl Hunt, secretary; and Jack Galley, treasurer.

Remember November 21, 1963? We began our Washington Trip. Our tour was exciting and eventful, but high spirits were crushed that second day by the assassination of President John F. Kennedy. We will long remember our tour for its educational value, and its fun but for its heartbreak and tragedy, we shall ever be reminded.

Who was the actress in our 1964 class production "No Boys Allowed" that had so much fun with a doll baby? How about that comedian director who laughed so very, very hard at everyone's jokes, and what was his planned surprise for a certain character?

Remember the hustle and bustle of planning for graduation? How about those tears that everyone wasn't going to shed that night of June 8, 1964, when we received our diplomas and were together for the last time? Oh, and don't forget the anticlimax of our Graduation Dance: "Best wishes"; "It's been a great four years."

Seniors, "Do you recall, remember at all, those wonderful, wonderful years?"

JUNIOR CLASS HISTORY

In September we entered West Branch as Jolly Juniors. To lead us through this important year, we chose Tom Krupa, President; Ken Way, Vice-President; Judy Folmar, Secretary; and Tom Coval, Treasurer.

A few of the more important events never to be forgotten were the receiving of our class rings, our first attempts at dramatics in the Junior Play, the Gettysburg Trip, and, of course, the eventful evening of the Prom.

Now, with the close of this memory-filled year as Juniors, we are looking forward to an even more wonderful year when we return to West Branch next fall as Seniors.

SOPHOMORE CLASS HISTORY

In September of 1962, 168 freshmen entered the West Branch Area High School. There were 86 at Cooper Center and 82 at Morris Center. Our freshmen class officers were the following: (Cooper Center) Larry Moore, President; Joe Fleming, Vice-President; Carmella Little, Secretary; and Janet Potter, Treasurer. (Morris Center) Mike Tutokey, President; Fred Vroman, Vice-President; Fred Davey, Secretary; Joe Frank, Treasurer. Morris set their class dues at twenty five cents a month and had a candy sale to earn money.

At our first sophomore class meeting, we elected the following officers: James Bunyak, President; Frank Taylor, Vice-President; Rachel Gaines, Secretary; Cynthia Valimont, Treasurer. Now that Cooper and Morris are united, we hope to have a good class and are looking forward to our remaining High School years.

The Student Council, advised by Mr. Frank Lingenfelter and Mr. Joseph Kardohely, is the most important organization of the student body since it is the governing body of the school under the approval of the administration.

The purpose of the Student Council is to promote harmonious relations throughout the entire school, assist in the management of the school, and provide orderly direction of school activities.

It is composed of representatives from each home room and each student organization, including both junior and senior high school students.

The West Branch Chapter of F.H.A., supervised by Mrs. Diana Connelly, has been organized for many years. Its purpose is to provide many opportunities for high school students to broaden their education in homemaking. One of the most important requirements to become a member of F.H.A. is to have had one year of Home Economics. Throughout the year the club sponsors many activities such as selling Christmas cards, paper, ribbon, and the traditional Valentine Dance held each February.

The Warrior staff is composed of junior and senior students under the supervision of Mrs. Agnes Shannon. There are five staffs: art, editorial, soliciting, typing, and business. The editorial staff does all write-ups, identifying pictures, layouts, and proofreading. Those students on the soliciting staff have the tiring job of visiting all our patrons in the Philipsburg and Clearfield areas and asking for donations. Then the typists take over with typing of layouts while the business staff handles the subscription drive and sees that all bills are paid.

Four deadlines are met in November, December, January, and February with one-fourth of the book sent in at each deadline so that the yearbook will be completed and received by the middle of May.

One of the days most looked forward to by the student body is the distribution of our school newspaper, "The Arrow." Published approximately six times during the school year, the paper keeps its readers up to date on all news concerning the school, its activities, and the alumni. A new feature added this year is sending copies to former graduates who are now serving in the armed forces.

The paper is edited by students of West Branch Area High School under the supervision of Mrs. Beatrice Park, Mrs. Nancy Stott, and Mr. Robert Graffuis. These people all agree that the chief aim of the staff is to produce an informative and interesting paper each time.

Senior Varsity Football

The West Branch Senior Varsity, under the able coaching of Head Coach Ralph Ventresco and Assistant Coaches Frank Lingenfelter and Eugene Dixon, completed their '63 schedule with a seasonal record of 3 wins and 7 losses.

The first Warrior victory was that over B.C.I., followed by the defeat of Brookville. After a four-game losing streak, the Warriors came back to surprise many fans with the upset of the previously undefeated Gallitzin team.

The Juniata Valley game, although, a loss for the Warriors, proved to be one of the most exciting and close games of the season. Within the last two minutes, Juniata hit pay dirt for the fifth time, winning the game with a score of 33-27.

Next year the Senior Varsity football squad will find a change in their schedule. The Tide of Curwensville will replace Huntingdon's team in next year's grid iron action.

Junior Varsity Football

The J.V. Warriors started the season with a close 12-10 victory over B.C.I. Immediately following the B.C.I. game, the 21-13 loss to Philipsburg-Osceola was one of most disappointing games of the season.

The most exciting game of the season, an 18-6 victory over Bald Eagle Area, was somewhat of a revenge for the Varsity loss; and in a very important game with Penns Valley, the Little Warriors gained a 20-0 victory and a winning season. The final tally showed 4 wins and 3 losses.

CHEERLEADERS

For the first time in the history of the West Branch Area High School, the cheerleaders have acquired an advisor. Miss Carmen Davis, the girls' physical education instructor, has acted in this capacity.

A new method of selecting the cheerleaders has also been established. In the process of becoming a cheerleader, the girl must first maintain an eighty-per-cent average in all subjects. She must then submit recommendations from five teachers and written permission from her parents.

In order to prevent the tryouts from becoming a popularity contest, a panel of teachers and several members of the student council act as judges in their selection.

Certain qualities which are considered in the teachers' selection are height, size, physical coordination, pep, poise, and school spirit.

These cheerleaders, chosen as examples of good character and sportsmanship, lead and represent the student body at all athletic events in support of our various teams.

SENIOR CHEERLEADERS: Nadine Sutton, Captain; Margie Petrof.

Baseball '63

The West Branch Area diamondmen finished the 1963 season with an 8-4 record--a successful winning season. They got off to an excellent start with three wins, but then bowed to Curwensville. They then began another winning streak with three more wins, but again it was snapped with the loss to Moshannon Valley. Two more victories and then two losses were to come to the West Branch nine in completing their schedule.

The Warriors finished with an excellent 3-1 record in the Moshannon Valley League play, but unfortunately, Moshannon Valley held this same record. In the playoff game scheduled to determine the championship, the Warriors were defeated, 7-0, and the Moshannon Valley Conference Crown went to Moshannon Valley.

Track '63

The West Branch Area Trackmen competed in six meets for the 1962 season: Huntington Meet, the Juniata College Relays, the Bellwood-Antis Invitational Meet, the Central Pennsylvania Coaches Meet, the District VI Meet, and the State Meet.

At Bellwood-Antis, with eight schools to compete against, the Warrior 880 yard relay team captured the one-half mile relay. This team consisted of J. Galley, J. Lutz, D. Burd, and W. Majeski. Jim Simcox also came in first in the one-half mile and the one mile run. Burket, Lutz, Socash, and Galley then teamed up to win the one mile relay.

In the Junior High Division at Bellwood-Antis, A. Pollock won the shot put, with F. Vroman coming in second. Pollock also won the 220 yard dash, and with running mates D. Moriarty, M. Tutokey, and F. Spanogle, took first place in the 880 yard relay. J. Bunyak, F. Vroman, and F. Spanogle then took honors of first place in the 440-yard relay.

At the District VI Meet, both Simcox and Galley acquired second place in the one-half mile run and the 220-yard run, respectively. These important accomplishments entitled them to run in the State Meet at State College. At State College, with competition from all over the state, Simcox came in eighth in the one-half mile run and Galley took seventh place in the 220-yard run.

FINIS

Now that we have reached the final page of this yearbook, we realize more fully that the autumn has passed. The tree is now bare; all the leaves have fallen, filling our baskets with memories. But like all autumns, this one will be followed by another spring, new buds and leaves, new horizons, hopes, and goals, and new memories to fill even more baskets in the future.

Mr. Smith,
I want to
wish continued
success and happiness
to a wonderful Prom
director and friend. I'm
sure I shall never forget you
and the rides in that old "army
truck".

Always,
Vickie ((rash))
